Meeting Notice: The official notice of the General Meeting to be held at Flying C in conjunction with the Triple World Ranking show in May was posted to 180 households via US Mail and an additional 201 households by eMail on April 6th. A copy of the notice was also posted on the website attached to the calendar entry for the meeting.

Standing Committee Reports

Breeding (Katrin Sheehan)

No report received.

Competition (Will Covert, Ásta Covert liaison)

The committee has reviewed the changes made to FIPO by the FEIF Delegates Assembly as well as suggestions made during the past competition season. Revised rules for US competitions have been submitted for Board approval.

Constitutional Review (Kari Pietsch-Wangard)

The Board sponsored proposed amendments plus one member sponsored proposal were communicated to the Secretary for inclusion in the Notice of General Meeting as required by the Constitution. The meeting will be held in conjunction with the World Ranking Competition at Flying C Ranch, Santa Ynez, CA on May 12th.

Education (Barbara Frische)

No report received.

Pleasure Riding (Ellen Wilson, Kathy Lockerbie liaison)

The PRP log forms have been slightly revised to highlight the fact that a separate form must be used for each participant. The submissions deadlines are also changed to quarterly to reduce the burden on the volunteers managing the program – late logs will not be accepted.

Promotion (Anne Elwell)

We are working on a new contract for use of the two booths and should be submitting it for approval at the next meeting. The graphics are done for the new booth and we have a delivery date in early May.

Quarterly (Judy Strehler, Anne Elwell liaison)

No report received.

Regional Clubs (Martina Gates, Katrin Sheehan liaison)

No report received.

Web (Doug Smith)

The Promotion and Regional Club pages now include links to the Board policy (#21) regarding funds available to clubs for breed / Congress / club promotion. The membership list has been updated to include the month and day on which each membership expires. The Registry Rules, overlooked in the last significant update to the website, has been updated.

Youth (Laurie Prestine, Ásta Covert liaison)

Nothing to report.

Old Business

- Email Voting [*Used for urgent matters between meetings. Matters must be approved without objection.*]
 - Approval of Notice of Members Meeting May 2012.

New Business

- Competition / Sanctioned Show Rule Updates [Will Covert & Doug Smith]
The Sport Committee recommends the attached changes to the Competition and Sanctioned Show rules. (The only substantial change allows horse/rider combinations to enter more tests in each show with two limitations: the horse may not start more than the number of times per day prescribed by FIPO; only the most difficult test will be considered for National Ranking.)

MOTION [Ásta Covert] Adopt all changes made by the FEIF Delegates Assembly to FIPO and Sport Committee's recommendation to the US rules. No objections.

- Youth Funds for Youth Cup Support [Laurie Prestine]
The Youth Committee requests a portion of the Youth Fund be released to support our Youth Cup team. The participation cost to each rider is €710. The committee recommends \$500 be paid directly to FEIF on behalf of each rider. This is the same level of support per rider as

provided for the 2010 team. The net cost to the fund will be \$500 less than 2010 since we only have three riders instead of four.

MOTION [Kari Pietsch-Wangard] Board approve Youth Committee recommendation with the stipulation that each child's parent acknowledge financial responsibility for the balance of all Youth Cup expenses.

Meeting Adjourned 10:00 PM Eastern [Anne Elwell]

Next meeting June 12, 2012 [9PM Eastern].

The USIHC adopts all provisions contained in FIPO (Rules for Icelandic Horse Events) ~~2011~~2012 (Valid as of April 1, ~~2011~~2012) as well as FIRO (General Rules) established by FEIF (International Federation of Icelandic Horse Associations). The following sections of FIPO are modified as set forth below to achieve the maximum measure of USIHC compliance as is presently possible in the United States.

Section 2.2.2.1 – Permitted bits and bridles:

Any bit may be used as part of a bridle provided it:

- is suitable for riding horses (not for driving horses or any other use of horses);
- is suitable for riding Icelandic horses;
- fits the horse it is used on correctly;
- is not included in the list of prohibited bits.

Only snaffle bits are permitted in the Beginning Rider and Novice Division classes.

Nothing may be added on to bits other than smooth bit guards and chain guards, and nothing else is allowed in the horse's mouth.

Horses may be ridden in bit-less bridles provided they fit the general requirements described above.

The judges' decision about the acceptance of any bit or bridle at a specific event is final for that specific event.

Section 4.2 – Tracks:

The definition of regulation tracks is as defined in FIPO Section 5.1. In the event a regulation track is not available tests may be conducted on a track or in an arena with a minimum circumference of 200 meters [650 feet] with long sides a minimum of 60 meters [200 feet].

The beginning and end of the long side of the track shall be marked in such a way as to be clearly visible to the riders, judges, and spectators without interfering with the horses on the track. The transition point at the middle of the short side may also be marked. Options include but are not limited to flat tape on the railing or a different colored post.

Effective April 2014, racing pace events may only be included if there is a straight pace track or the circumference of the oval track is 250 meters. A show may be sanctioned without including F1 or F2 in the list of offered classes if the track does not meet the FIPO standards for racing pace.

Sections 4.3 and 5.2 – Judges:

All FIPO classes must be judged by at least one International FEIF Sports Judge. In the event classes are scored by more than one International FEIF Sports Judge, they will judge individually, separately and openly.

Section 4.8 – Demonstration Rider:

The show organizer has the sole discretion to utilize demonstration riders. If demonstration riders are used they shall follow FIPO Section 4.8.

Section 5.5 – Left rein and right rein groups:

In classes, which are conducted in groups, starting groups of no more than six riders are formed by the show organizer, judge or gatekeeper. Choice of rein shall be by majority vote of the riders in the group. In the event of a tie, left rein is to be assumed to be the preference.

The first group shall enter the arena and perform the class, after which they shall exit the arena. Succeeding groups shall do the same. When all groups have ridden the entire class shall return to the arena for the announcement of the results.

In finals, the majority of the riders determine the rein on which the first section is begun. In the event of a tie vote, the vote of the preliminary round's winner is doubled.

RULES OF GENERAL APPLICATION

Eligibility.

Open: Any rider 14 years and over.

Pace Disciplines: Any rider 14 years and over.

Professional: A professional rider is one who has accepted remuneration of any kind within a two-year period prior to the show in question for training or riding Icelandic Horses.

Intermediate: Any non-professional rider who has not achieved a final score of 6.0 or higher three times, riding the same or different horses, in a specific discipline at USIHC sanctioned competitions.

Novice: Any non-professional rider who has not achieved a score of 5.0 or higher three times, riding the same or different horses, in a specific discipline at USIHC sanctioned competition. In other words, a rider who has achieved a score of 5.0 or higher three times in Novice Tölt is ineligible to enter that class again and must advance to the Intermediate level in Tölt. This rider may continue to compete as a Novice in the other discipline until he/she achieves a score of 5.0 three times in those remaining Novice classes. Thereafter he/she must advance to Intermediate Division.

[Experimental] Beginning Rider: Any non-professional rider who has not achieved a score of 5.0 or higher three times on any horse **in any discipline** in USIHC sanctioned competition.

[Experimental] Green Horse: Any horse which has not achieved a score of 5.0 or higher three times under any rider **in any discipline** in USIHC sanctioned competition.

Youth: Youth classes may be split into classes with the following age groups:

1. Eleven years and under.
2. Twelve through sixteen years.

A rider may enter any class or level unless specifically prohibited by the definition of that class or level. In other words, a rider may enter at the same show, Intermediate and Novice classes if he/she is a **non-professional** rider and has not achieved a score of 5.0 or above three times at USIHC sanctioned competitions in that discipline.

The cut-off score in those classes will follow the rider only. It will not follow the horse or the horse and rider combination with the exception of the determination of a "green horse".

A rider may enter the same class with more than one horse. Where the Open Class is conducted as individual programs, no limit shall apply. In classes conducted in groups, the rider shall be allowed, as many entries as there are groups for the class.

The number of tests a horse may be ridden per day is specified in FIPO Section 2.1. Horses, riders, or combinations thereof may start in more than one tölt or gaited test at the same competition as long as the rider satisfies the divisional eligibility requirements. Horses may not start more than the number of times specified in FIPO 2.1. In the event a rider participates in more than one gaited or tölt test at the same event, only the most advanced test (lowest test number) in each category will be considered for the National Ranking.

Compliance. The individual responsible for enforcing compliance with all the USIHC Sport Rules at sanctioned shows shall be an Intern Judge. If an Intern Judge is not available then the official Scribe shall enforce the rules. In the absence of either an Intern Judge or Scribe then a designated member of the Sport Committee will enforce compliance by all show participants with the rules. In all cases the individual must have a solid working knowledge of the USIHC Sport Rules. All the materials and information needed to ensure proper compliance shall be provided by the show organizer. If a dispute arises as a result of a decision made by this individual an appeal may be made in a timely fashion to the Judge who shall have the final decision.

Jurisdiction. The USIHC Competition Rules are National Rules, to be utilized in any USIHC Sanctioned Show. In the event an International FEIF Show shall be conducted in the United States it must be conducted pursuant to the entire FIPO then in effect, including the provisions excluded or amended in these National Rules.

Revisions to FIPO and the USIHC Competition Rules. As revisions to FIPO are approved by FEIF, the USIHC will determine if the USIHC Competition Rules should be revised in accordance with the FIPO revisions. Other revisions to the USIHC Competition Rules may occur as circumstances demand.

Arbitration. For the duration of a competition an Arbitration Committee must be formed consisting of the following:

1. The competition manager or a representative previously appointed by him/her.
2. The head judge
3. A rider's spokesman, elected before the start of the competition by those actively competing. If the riders' spokesman has to be substituted, then the rider with the second highest votes will become the spokesman's representative.
4. The sport chairperson or delegate previously appointed by him/her

All decisions made by the Arbitration Committee are final. No one may be involved in any arbitral decisions, who is either directly concerned or has interests therein or is any other way prejudiced. Arbitration proceedings are conducted verbally. Minutes are to be taken, which should at least include the following information:

1. Members of the arbitration committee
2. Place and time of the proceedings
3. Parties present
4. Issues and decisions of the committee.

Arbitration proceedings are public. Conferring is done in private. Decisions by the arbitration committee are

taken on a simple majority. In the event of votes being equal, the chief judge will have the casting vote. The decision then must be immediately given in writing to the party concerned.

Dress Code. All provisions in FIPO Section 3.3 shall apply. The dress requirements in all FIPO classes at USIHC sanctioned shows shall be those required at international sport competitions. In the event of high heat or humidity, riders may opt to not wear a coat and tie. Regardless of the conditions, riders are encouraged to dress professionally. The dress requirements in all non-FIPO classes shall be those allowed in Pace Race and Pace Tests.

CLASS DESCRIPTIONS

The class descriptions listed below are taken directly from FIPO and will be the USIHC required classes. The scores from these classes will be recorded in the USIHC National Ranking database. [In the event of a discrepancy between these descriptions and those in the current version of FIPO, FIPO shall prevail unless the difference is expressly noted.](#)

INTRODUCTION

A sanctioned show is one in which the rider's scores are recorded in a national database which enables riders to compare their performances with other riders around the country and, more importantly perhaps, to compare their own performances over time. For such comparisons to have validity, certain aspects of the show must be consistent. These aspects are contained in the Rules & Procedures for Sanctioned Shows. The reasons for some of the requirements, which may not be obvious to those unfamiliar with Icelandic Competition, are as follows:

1. The classes must be judged by at least one (1) FEIF International Sports Judge. In Icelandic competition, the horse and rider combination receives a numerical score for various aspects of the competition. For example, in a four-gait class the horse/rider combination will receive a score for walk, trot, canter, slow tölt, and fast tölt. The average of these five scores averaged together is the score for the class. The scoring system, from zero to ten, has been agreed upon by all the member countries of FEIF and is available for review on the FEIF website under "Judges' Guidelines". Each point on the scale takes into consideration a number of factors, such as beat, tempo, movement, etc. These factors and their importance to each point on the scale are also available at the FEIF website.

Sports judges receive lengthy training in the scoring system. They attend seminars; pass rigorous examinations and apprentice under experienced Judges for many years at shows of increasing size. FEIF International Sports Judges are persons of substantial experience who have come up through the ranks of their country's sports judge training programs and have then passed the rigorous examination which certifies them for this title. The purpose of this extraordinarily demanding program is to achieve consistency in judging so that a horse/rider combination with a score of 6.5 in slow tölt would earn that same score for the same performance in whatever country it is judged.

In most FEIF countries, a minimum of three judges judge together in order to obtain the most appropriate score (which is an average of what the individual judges give). We are not yet at a point where this is affordable. Therefore, to achieve the maximum in accurate scoring with at least one judge, we require at least one FEIF International Sports Judge. USIHC Sanctioned shows with multiple judges must have at least two (2) FEIF International Judges; the other judges may be National Judges.

2. The show must be conducted pursuant to USIHC Competition Rules. All FEIF countries are bound to follow FIPO, the competition rules as well as FIRO, the general rules, which have been accepted by all of the member countries. FIPO & FIRO cover many areas of competition, from fair treatment of the horse, allowed tack, allowed shoeing, sportsmanlike behavior (towards the horse as well as towards other riders), prohibited substances, to the physical requirements of official competition tracks, and a description of the requirements of each FIPO class, to name a few of the areas. FIPO & FIRO may be reviewed in their entirety at the FEIF website.

Because each country needs to have competitions for various levels of riding skills below World Championship competition, each country develops its own set of classes for beginning riders through advanced riders. In addition, each country usually adopts all or most other sections of FIPO related to the protection and welfare of the horse. Our competition rules do this for the U.S. In order to have comparisons of riders competing in specific classes at different shows, the classes must all have the same requirements. Other

aspects, such as ring size, must also be comparable. In addition, of course, the protection of the horse must always be paramount and guaranteed. For all of these reasons, our show rules must be used.

There are 12 required classes and 4 strongly recommended experimental classes:

- Open Level:** T1 (Individual) or T3 (Group),
T2 (Individual) or T4 (Group),
V1 (Individual) or V2 (Group)
F1 (Individual)
- Intermediate Level:** T5, V3, T6 and F2 (Group)
- Novice Level:** T7 and V5
- Youth Level:** T8 and V6
- Beginning Rider Level:** TBR and VBR [Experimental]
- Green Horse Level:** TGH and VGH [Experimental]

This requirement assures that a range of classes will be offered. Note that it is not necessary for all classes to have entries. The only requirement is that they be offered. Other classes even those purely for fun, may be added with the exception of halter classes, which are specifically prohibited. This prohibition is to prevent any in-roads of the philosophy that the physical appearance of the horse, divorced from its functionality, is worthy of note.

All required classes are recommended to have preliminaries and finals to be scheduled on different days of the competition. If a class is large enough to require both “A” and “B” finals, both finals may be held on the same day. The results of the preliminaries for the required classes are used to compute the National Ranking.

The area in which the horse must perform must be an oval with an approximate circumference of 200-250 meters. An area of somewhat less size may be satisfactory but there must be long sides of sufficient length for pace and for tempo differences (slowing down and speeding up) in tölt.

Effective April 2010, the beginning and end of the long side of the oval shall be marked in such a way as to be clearly visible to the riders, judges, and spectators without interfering with the horses on the oval track. The transition point at the middle of the short side may also be marked. Options include but are not limited to flat tape on the railing or a different colored post.

Effective April 2014, racing pace events may only be included if there is a straight pace track or the circumference of the oval track is 250 meters. A show may be sanctioned without including F1 or F2 in the list of offered classes if the track does not meet the FIPO standards for racing pace.

The most recently released version of the IceTest Software (~~Version 1.1.704 as of May 30, 2011~~) must be used and is available on the FEIF website (www.feif.org/software) for free download. This software provides forms for the recording of the scores in a manner that the Judge(s) is used to using and which are necessary for the database. **The results of sanctioned shows (including a copy of the IceTest “MDB” file) must be returned to the Chairperson of the Competition Committee within 15 days of the show. If they are not sent in on time the scores may not be posted to the website or added to the National Ranking Database.**

Moreover, we want to emphasize that a sanctioned show is at the top of the pinnacle of possible

competitions here in the US. There are schooling shows, fun shows, farm shows, shows limited to a certain geographical area, etc. that can be starting points growing towards a sanctioned show. We encourage all of these kinds of competitions and suggest the use of our Intern Judges for these events. See the *USIHC Schooling Show Handbook* (<http://www.icelandics.org/download/schoolingshowhandbook.pdf>) for more details on organizing a schooling show.

RULES and PROCEDURES for USIHC SANCTIONED SHOWS

1. USIHC Sanctioned Sport Shows are those that are entitled to have all scores for USIHC sanctioned classes entered into the USIHC National Ranking database. The USIHC Competition Committee Chairperson must approve all sanctioned USIHC shows. Approved sanctioned shows may be either an Icelandic Breed Show, or an Icelandic Show within a larger show, which may include other breeds or disciplines.
2. Requirements for a sanctioned show are:
 - (a) The classes must be judged by at least one (1) International FEIF Sports Judge.
 - (b) The show must be open to any horse registered with a FEIF recognized registry.
 - (c) The organizer must be a current USIHC member.
 - (d) The show must be of two (2) days duration. Finals must not be held on the same day as their qualifying preliminary. A single-day show is permissible if it is part of a multi-day World Ranking series.
 - (e) A scribe must be provided for the Judge(s). First choice for a scribe would be an Intern Judge(s) or if one is not available someone who has attended the USIHC Sport Judge's Seminar and then the third choice is a member of the Competition Committee. A suitable replacement for any of these options may be approved by the competition committee chairperson.
 - (f) The most recent version of the IceTest Software (~~Version 1.1.704 as of May 30, 2011~~) must be used. It is available for free download at www.feif.org/software
 - (g) The show must be held on an oval track or in an arena with an approximate circumference of 200-250 meters. Effective April 2014, racing pace events may only be included if there is a straight pace track or the circumference of the oval track is 250 meters. A show may be sanctioned without including F1 or F2 in the list of offered classes if the track does not meet the FIPO standards for racing pace.

If a World Ranking show is canceled without prior approval of the Competition Committee Chairperson, the organizer shall reimburse the USIHC the full amount of the FEIF World Ranking fee.
- (k) **Within 15 days of the conclusion of the show**, the organizer must file a Show Report with the Competitions Committee Chairperson including
